

## INTRODUCTION TO FLY FISHING

Saturday, August 28, 2021

9:00 am to 1 pm; Doors open 8:30 am

Join Master Fly Fisherman WILL DASKAL for an informative program that will introduce you to the relaxing sport of fly fishing! Equipment selection, casting techniques, reading the water, fly fishing strategies, basic fly designs, trout stream entomology, as well as area fishing spots, will all be covered and made as easy as “ABC” for you! As a fly fisherman since the mid-1950’s, Will has caught thousands of trout, bass and many other species of fish on a fly! Will is an avid fly angler and a Master Instructor who has taught hundreds of students to fly fish at his Catskill Mtns. WILD TROUT UNIVERSITY Fly Fishing School in Horton, NY on the historic legendary Beaverkill River & the Willowemoc Creek! All paid participants will take home a packet of priceless informative handouts!
